

ABI Havana

28' x 10' (2 Bed) 1998

Sited & Ready

£7,500

This charming little Havana will make a lovely retreat for those who want a smaller, cosy holiday home.

It is well laid out with a galley kitchen, nice sized bathroom, main bedroom and twin room and the lounge/dining room.

This has been very well looked after and has lots more happy holidays to offer. And as it faces south, will have the sun all day long (when it's out of course!). Well worth viewing.
