

# Willerby Granada 1994

**34 X 10 - 3 BEDROOMS  
SITED & READY: Plot P8  
£6,000**

This Willerby Granada is a good starter holiday home. Having three bedrooms makes it ideal for a family who want to try out holidays by the sea. There is a galley kitchen with bedrooms and bathroom off and lounge dining area at the front end. There is a decent amount of seating for those family get togethers to watch TV in the evenings or have a game of cards. This is well worth a viewing and will be a great retreat for someone. At this price it won't hang about for long!
