This holiday home has a lot of charm.

The lounge and dining area have been tastefully re-done with free standing dining table and chairs and a three piece, extremely comfortable lounge suite! The curtains and pelmets have also been replaced and help put the finishing touches, to an already charming living space.

The kitchen has a good amount of cupboard storage with worktop over; there is entrance space, a separate toilet, twin room and shower-room (shower and sink only) which is en-suite to the main bedroom, the holiday home has been fitted with double glazed windows and overall makes a very appealing sea side retreat.

Well worth viewing!
