This lovely holiday home still holds an air of class.

The entrance door is into the dining area with glass topped dining table and cream mock leather high backed chairs.

The partially enclosed kitchen is white with black work top and has a good sized fridge freezer, large cooker with warming cupboards and space for a washing machine. The lounge can be completely closed off with double doors; it has free standing settee and two armchairs, a feature fireplace, display cabinet, TV point and bay window with front opening patio doors. The hallway from the dining area takes you to the twin bedroom the shower room which has a step up to the shower/bath and is also en-suite to the main bedroom, which has good wardrobe and drawer space.

The holiday home also benefits from blow air heating and double glazing.
